

**Bike Friendly Camp Hill  
Quarterly Meeting Minutes  
July 2018**

Q3 Meeting - Thursday, 7/26/2018, Camp Hill Boro Hall 7.30pm

Attendees: Luisa Lassová, Carl Schultz, Bob Diehl, Mary Beth Brath, Diana Bermingham, and Sherry Bowman

**1) Bike Month Activities: Follow-up**

- The bike ride and bike-friendly plaque dedication on 5/5/18 had good attendance as well as various other bike rides offered during the month. Cornerstone offered discounted ice cream to riders after one of the rides.
- Next year, we need to make sure that there are handouts for Mayfair table
- Great turnout for Tour de Belt – over 800 attendees

**2) Bike/Ped Engineering Study by Simone Collins**

**Future workshops (all Wednesday 5.30pm at Boro Hall): 9/26/18; 12/5/18; 3/6/19.**

- Low attendance at first workshop (6/27/18), however people in attendance were engaged. The Boro will try to invite the PTO to the next workshop and send out more announcements about the meetings. We submitted suggestions for better sidewalks, Bike parking, a connection to the future Conodoguinet Greenway, improvements to the “Pump House Trail”, Goddard trail and Compost area trail; and Bypass improvements.
- Camp Hill Borough is starting the budgeting process for 2019. BFC would like CH Borough to budget for trail to connect asphalt by future pumping station to the creek trail at Siebert park trench that runs down to Creek Rd.

**3) Bike/Ped education in schools**

- Agreed we need separate meeting on this topic.
- Luisa described the bike education she received in Germany in 4th grade: Spread over several days were theory lessons, practical lessons and a test, both theory and practice. The practice test was in the school yard, where small-scale two-lane roads with various kinds of intersections were permanently marked on the ground. The training was conducted by the police who brought stop signs and traffic signs for the exercise. Kids that passed the test were given a sticker to put on their bike and a certificate.

**4) Bike Share program - expansion to Camp Hill**

- We received an email from Justine Fabian of “Communities in Schools PA” stating that “all is going well thus far with the CMAQ funding grant; however, funds will not be

released until December of 2018. The funds will allow us to expand into Camp Hill and/or Wormleysburg and Lemoyne.”

- Need to establish a point person at the borough to work with Bike Share
- Mary Beth will discuss with Market Street business owners, to see if we would like to get a Camp Hill logo (or a logo for any individual business) on the Bike Share bike baskets.

#### **5) Bike racks for businesses**

- Mary Beth Brath will mention free bike racks to businesses at Downtown meeting
- Everybody is encouraged to bring their bikes inside businesses and mention the free bike rack program.
- Need to follow-up with the businesses that were contacted about the racks
- Discussed how businesses are most likely too busy to install the bike racks
- Need to see if Borough Public Works can have an install day (Carl Schultz is checking)

#### **6) Casual Bike Rides (Diana Bermingham)**

- The Saturday morning rides are cancelled due to lack of attendance
- Wednesday rides are still going on: Meet at Boro Office parking lot every Wednesday at 6pm, weather permitting. Helmets required.

#### **7) Friends of the Conodoguinet Greenway**

- The group is meeting with the local governmental bodies that touch on the trail
- Next step is to meet with key private property owners to discuss feasibility
