

Free Bike Racks for Businesses

(includes places of worship & non-profits)

Camp Hill Borough is committed to making our town a better place to live, work and play by improving biking awareness and facilities.

The Borough is offering a FREE beautiful custom-designed rack featuring Camp Hill branding to each eligible business.*

Additional plain racks can be purchased for \$100/each.

Show your support for the cycling community and attract more business by providing a safe and secure spot to park bikes.

Contact Pat Dennis at 717-737-3456 or pdennis@camphillborough.com to place an order.

THE FINE PRINT:

- To be eligible for the free logo rack, the business must be located within Camp Hill Borough. Only one free logo rack per business, while supplies last. If a building is used by more than one business, only one rack will be supplied. If a business owner owns several buildings, one rack per address may be supplied.
- Camp Hill Borough's Department of Public Works will deliver the racks.
- Property owner is responsible for installation.
- The owner decides on the installation location, Camp Hill BFC can provide guidance if desired. The bike rack must be installed within the property boundaries, adjacent to the business for which it was delivered and accessible and usable for parking of 2 bicycles. Whenever possible, logo should be visible from Market street or other main thoroughfare. Installation must be completed in a timely manner.

Rack Facts:

- Durable black powder coating
- Securely holds 1-2 bikes
