# Just Five Simple Steps.

## Five Steps to Start a Local Sponsor a Bench Program

1. Contact your local DuMor representative for assistance selecting a bench or companion product design that will best enhance your area (including color).
2. Determine the total number of units that will be required for your program and be made available for sponsorship.
3. Determine the method of marketing your **Sponsor a Bench Program**: i.e. local newspapers and business publications, direct mail, radio and/or TV, or alumni newsletters.
4. Establish a point of contact/coordinator for your program.
5. Determine the location and placement of benches and companion products.

Plaques installed on benches with backrests are inset and flush with the face side of the bench.
