## Camp Hill Tree Order

*The Camp Hill Shade Tree Commission accepts orders for street trees to be planted in the borough. Trees are 10' to 12' tall, 1.5" to 2" in diameter at the base. They arrive bare root (ie. without a ball or container of soil around the roots.) The roots are dipped in a gel to retain moisture, but the trees MUST be planted within one week of delivery. Deliveries are expected in late April and late October; buyers will be notified of the precise date one week in advance.*

**PLEASE NOTE: Deadlines are March 1 for spring planting and September 1 for fall planting.**
