

## Director of Public Works

Camp Hill Borough, Cumberland County, PA is seeking a strategic, dynamic, personable and visionary leader for the position of Director of Public Works. This position is responsible for the management of highway and sanitary sewer divisions consisting of a staff of 9 unionized employees. This is a Department Head-level position that reports directly to the Borough Manager.

The successful candidate must possess a Bachelor's Degree from an accredited four-year college or university in Civil Engineering or an equivalent field of study and broad-based, demonstrated experience (minimum of 5 years) in Public Works or a related field. Particular experience in asset management and capital planning is highly desired.
