All of the following is REQUIRED in order to process this application. Failure to comply will result in your permit being delayed or denied.

- 1) An image of sign(s) including dimensions, square footage, lighting, coloring, direction facing, mounting method, etc.
- 2) A clear and accurate plot map of property with location of sign marked, indicating distance from right-of-way line and height from ground level.
- 3) Location and square footage of all other signage currently on property (for permanent signs).
- 4) Payment in full to Camp Hill Borough at the time of application submission.

Note: Sign construction must comply with the provisions of Pennsylvania's Uniform Construction Code (UCC). Illuminated signs must meet all requirements of the Code of the Borough of Camp Hill and must not emit glare onto adjacent properties or public streets. Further references can be found under Article VII (Signs) in the Zoning Code of the Borough of Camp Hill.
