

Camp Hill Project Playground

Dear Neighbor,

In 1999/2000 we were able to put a new playground in at Siebert Park, thanks to numerous donations and contributions. We will continue to sell bricks as long as there is space available and the money will be put towards other parks in the community.

For as little as \$50 you can have your individual or family name engraved on a brick in the park's walkway, providing a permanent visible acknowledgment of your generosity and commitment to your community. Please take a minute and look over the brick order form. If you would like to help the children in your community please consider helping our cause.

Return this form with your donation to:

Camp Hill Recreation

Please make check or money order payable to **Camp Hill Recreation**. Donations of any amount are welcome. Please do not send cash.
