

Dear Camp Parents,

The last several weeks we have been monitoring the current situation and making a plan on how to have the last four weeks of Siebert Park Day Camp this summer in a safe and fun way. We have been working on a plan and were hoping that it would be able to work for this summer. The guidelines are strict for day camps so the kids wouldn't be able to doing things like they have other summers like play large group games, eat together, swim together and need to keep social distancing all day. Unfortunately these guidelines haven't changed since our initial email about the last four weeks of camp and after consulting with our insurance company, there are a lot of risk in us holding a day camp.

So we unfortunately will be canceling the remainder of the weeks of Siebert Park Day Camp. For those of you who chose Option B initially, your checks are being mailed out in the coming days. For the parents who chose Option A, which was for the kids to attend the last four weeks, I will start the refund process and the checks will be mailed at a later date and time.

Personally, I will miss seeing all of your kids this summer at camp. I look forward to this camp each summer and it would have been the 25<sup>th</sup> summer of Siebert Park Day Camp. For your children who will miss out on their last summer at camp, I am sorry about that and I hope to see them around the borough. For the children who are going to come next year, I look forward to see you all in 2021. It will be a great 25<sup>th</sup> summer of fun at camp!

Sincerely,  
Audrey Logar
