Personal Items: We ask that children do not bring personal items or toys from home. Books for story time, items relating to out theme and of course, show and tell items are welcome.

Discipline: Staff will use positive guidance, redirection, and the settings of clear cut limits to help the children become self disciplined. Staff will encourage children to respect people and property, to be fair and learn to be responsible for their actions. When necessary, staff will follow steps 1-4 as needed.

- 1- Speak to child about changing the behavior.
- 2- Redirect the child to another activity or area.
- 3- Time out away from the other children (but in clear view of staff).
- 4-Note written for parents (to discuss behavior with staff)

For acts of aggression, children will be separated immediately. Staff will review rules and appropriate behaviors and reinforce positive behaviors on a regular basis.

Illness: Most children will become ill from time to time. Refunds will not be given for absences due to illness. In the event of long term illness, special arrangements may be made with the Camp Hill Recreation. If your child will not be attending camp due to illness, please call the recreation office so we know not to expect him/her. Please do not increase the risk of other children becoming sick as well by sending your child to the program when he/she is ill. We will not allow a sick child to stay at camp and you will be called at home/work to come pick up your child immediately. If your child should become ill during our program, we will notify you or your emergency person, and we will expect the child to be taken home as soon as possible. We do not have the staff or the facilities to care for a sick child, so be prepared with an alternate care giver if you cannot care for your sick child at home.

If your child has any or the following symptoms, it is best to keep him/her home, or if the symptoms appear at the program, you will be notified: Fever of 100 degrees or higher, vomiting, diarrhea, rash, persistent cough or sore throat, inflamed eyes, lice, or too ill to participate in outdoor activities. If your child should become ill from a contagious disease such as chicken pox, strep throat, lice, etc., inform the staff immediately.

Health and Emergency Policy: In the event of a medical emergency or of an accident, we shall contact the parents of the child and, if necessary, the parents may be asked to pick up their child.
